FEARLESS

Because He Lives!

From Your Pastor's Heart

Easter greetings my dear Friend!

It was in the mid-1990s and I was leading a Bible study in Bangalore, India. During our discussion time, one of the members said, “The Christian life is a very difficult life to live”. Almost immediately another member said, “May I beg to differ with you, please?”. The person went on to speak of however since he accepted Christ as his Savior the Christian life was nothing short of a joy and a pleasure, even during the most difficult days. He went on to say, “If I try to live this Christian life in my own strength, I believe I will be beaten and down. But when I live in Christ’s strength, this life is nothing short of a life of victory and joy!”

Easter reminds me of the words of Warren W. Wiersbe, “We are not fighting for victory. We are fighting from victory”. As you appropriate the gift of Easter, may I invite you to think of these promises from God’s Word:

What a privilege to know that “He who began a good work in us will bring it to completion”.
Phil 1:6

What an encouragement to remember that “Death has been swallowed up in victory”.
1 Cor. 15:54

What a joy to remember that the Lord Jesus declared, “Because I live, you also will live”.
John 14:19

What an assurance to think of the promise of our Lord Jesus, “Very truly I tell you, whoever hears my word and believes him who sent me has eternal life and will not be judged but has crossed over from death to life”.
John 5: 24

What a sure promise of eternity we receive when we hear the words, “I am the resurrection and the life. The one who believes in me will live, even though they die”.
John 11:25

Christ is risen! He is risen indeed!

The Resurrection reminds us of the Lord's question in Jeremiah 32:27: "I am the LORD, the God of all mankind. Is anything too hard for me?"

There are times in our lives when we struggle to make sense of things. Some of us could be facing such a time right now. A time in which too many things seem to go wrong at the same time. Not too many days ago, I was on the phone with someone who said, "I don't know what else can go wrong now. I think everything that possibly could go wrong has gone wrong in my life!" For a lighter moment let me share these words from my sermon preached on March 14th, 2021. "Sometimes in life we feel like everything is happening all at the same time. Have you had a moment like this? The doorbell and the telephone begin to ring at the same time, the timer on the oven goes off at the same time, the baby wakes up and begins to cry at the same time and your 2-year-old wants restroom help at the same time. Your pet is vying for your attention at the same time. You probably just want to scream and run away - at the same time!"

On a more serious note, what about days when the teenager has tantrums and struggles that you wish you could wish away? Or your elderly parents seem to be falling apart? Or the coronavirus has made your work environment a lot more challenging and your medical report indicates you might have an upcoming surgery. You probably feel like you are being lowered into a blazing furnace and the flames are about to burn you away.

Jesus faced such moments too. The night before he was crucified gives us a window-view into how his struggles compounded. He was betrayed by a friend, denied by another, falsely accused, wrongfully charged, and unfairly condemned to the most horrific death on a Roman cross.

Have you had a time in your life when you were ridiculed by some, abandoned by friends, taunted by critics, and violated by enemies? A time at which you felt the flames from the inferno of doubt, darkness, and even death threats to destroy your soul?

Don't look far. Easter is proof that God is at work in the fiercest furnace to bring forth his gold!

Because He lives,
Arun

APRIL PRAYER FOCUS

Every time you come to a stop sign, would you think of homeless people and say a prayer for them

FEARLESS TO DO GOD'S WORK

Thanks to all of you who have been praying and sharing ideas about how we can take the work of our Lord forward at Trinity. Please keep sharing them with us.

I am reaching out to seek your help in a few new opportunities. May I ask if you might be willing to:

- Join us in our new “Pray and Go” door-to-door prayer ministry initiative. Join us for our April study series of learning before going. Who knows how one church might be able to pray for the people of New Cumberland and beyond! To know more, see the announcement.
- Introduce our “Sermon by phone” short message initiative with someone who doesn’t use the internet. This could be a friend at Trinity or someone beyond our congregation. See the announcement for details.
- Talk the Children’s talk with your children in the family. How about a mid-week conversation and prayer with your child/ children using the video of the weekly children’s talks? See the announcement for details.
- Invite a youth to worship with us online or in person. Youth will respond best when they know we care for them and love them. Tell them that our services now include a Praise and Worship Time in song – and of the Skitguys who do even better than the Indian pastor with their humor. Tell them about Youth Group.
- Invite a young family to Trinity. How about praying and working towards seeing at least 20 new young families join our congregation in the next two years? Tell them the church is investing in a new nursery for kids and is engaged in a children’s ministry weekly. Can you write down the name of a family you might be able to invite and start praying for them?
- Invite a friend who has stopped attending any church or has never attended church to join us for our outreach events like the Starfish ministry time at Harrisburg. Some people are doers. They connect better with the language of service.
- Share the Gospel with one new person in the next 3 months. Pray for a person that you might be able to share with. Pray daily. Connect. Listen. Share your story of faith. Ask your friend if he/she would be interested in knowing more. Share a Bible if they are willing to accept one. Pray with them. Invite them to Church. Share a link to a service/ message/prayer time/ music time/ from Trinity.

For Christ and His Gospel,
Arun

Thank you for the cards, prayers and phone calls during my recent illness. I am feeling better and truly blessed to have such a caring church family.

Doris Bernardo

Thank you for all the prayers that are being sent up for John. He had a body scan and just found out yesterday that the chemo and immunotherapy have helped him. He will continue with treatment and also with a shot for the bone cancer. God bless each one of you. We are so very grateful. God is good, all the time. We miss all of you very much.

In Christian love, Nancy and Don Miller

Once again my Trinity family has blessed me with special love. I send my sincere thanks to the Hospitality team and the Sunday School children of Trinity Church for the Valentine treats I received. The treats included a special hand-decorated card by Parker Bailey, plus a heart-shaped box of chocolates, and The Upper Room and Our Daily Bread devotional booklets. These made me feel very much loved and I thank you all. May God bless each of you. I am so glad he led you to our Trinity family.

Appreciatively, Elaine Ocamb and family

We want to extend our sincere appreciation to Pastor Arun and our Church family and friends for your prayers and kind gestures of sympathy during the recent passing of Susie's father. It is comforting to know that after his lifetime of just one week shy of his 101st birthday, he now celebrates his new beginnings with God.

In Christian Love, Ken and Susie Puller

My name is Amy Gross and I am the School Social Worker for West Shore School District. I cover and work with students K-12 in all 14 of our schools. I have had the privilege of working with Cathy Baum for the last two years with your congregations A.S.K. Program. Since April 2019 you have donated and amazing 145 boxes of food as well as toiletries to our students in need. Words cannot express how grateful we are for these donations!

This past year has brought about many families and students who are struggling financially, who have never been in this situation before. Many students come to school hungry or only get meals while at school. This food has been given to kids in school, to have snacks and extra food for meals. It has also been delivered to our homeless families who live in the motels off Limekiln Road and Lewisberry Road. Many of these families do not have vehicles to drive to food banks and they do not have a kitchen in the motel rooms. They do have microwaves though, so having the easy microwaveable meals and canned foods with flip top lids (as not everyone has a can opener) has been a blessing. The food is also added to our power pack bags and sent home with students so they have food on the weekend.

The A.S.K. Program has been a true blessing to help our students in need. Thank you so much for taking the time and buying these items and spending your own money to do so. You are truly making a difference in these kids' lives and helping to provide them with their basic needs so they can be more successful in school.

Thank you and God Bless,

*Amy Gross, LSW

Dear Trinity Family,

Well done. Good and faithful servants! Those who began the Daniel Fast on Ash Wednesday have completed the Fast. Please, take a few moments and write a testimony of your experience with the Daniel Fast. We would love to hear from you. Send them to Pastor Arun or to me.

I know some of you are going beyond the 21 days to the end of Lent. That is wonderful, know that I am continuing to pray for you.

Maybe some of you have gotten a nudge from the Holy Spirit to begin on March 10/11 and to complete your Fast Holy Week. Please write and let us know how you are doing, either during the Fast or on Easter Monday when you can reflect back on your experience. Thank you again to all of you who have met the challenge. Let us know how we might encourage others to join in next time. Possibly the beginning of January 2022 so we can pray for the new year and where God is leading us as His church in New Cumberland.

*Again thank you for your participation,
Pastor Peggy*

RED GERANIUMS FOR PENTECOST SUNDAY

Pentecost is the birthday of the church, and to add to the celebration we will have geraniums adorning the sanctuary. Might you also consider wearing red for Pentecost?

If you would like to purchase a red geranium, the cost is \$5 each. Orders are due in the church office, along with cash or check made payable to Trinity UMC (showing "Pentecost Flowers" in memo) by May 10, 2021. Please indicate the number amount of plants you would like. The flowers you purchased should be taken home Pentecost Sunday May 23, 2021.

A NOTE FROM OUR MUSIC DIRECTOR

As I write this article, planning and preparation for Easter are ongoing. After more than one year, almost 13 months, I am very much looking forward to bringing musicians back into the sanctuary for worship! How much more fitting of a day to do so than Easter morning? With strict guidelines still to follow, we can still find a way to raise the roof, to pull out all the stops, and to praise and give thanks to God for Jesus Christ, who died and rose on high! What a time to exclaim, "Lord, I lift your name on high!"

I hope you feel the excitement building as much as I do! After weeks away from the sanctuary, it has been a joy to begin making music again at the church. Small groups of singers have sung and will continue to do so; Praise and Worship have been a regular part of worship; Handbells continue to ring; the organ, piano, and synthesizer are all used in leading hymns and worship; various instrumentalists have joined in worship!

There are many and various musical ways to Lift HIS name on high. As a matter of fact, Psalm 150 exhorts us to do so, in musical ways that involve our whole being: our very breath, our senses, and every suitable instrument!

May we on Easter morning be bold in our music, to be bold in our music as prayer, praise, and proclamation of Jesus Christ, our risen Lord and Savior!

To God be the Glory!
Todd Davis

Praise the Lord.

Praise God in his sanctuary;
praise him in his mighty heavens.

Praise him for his acts of power;
praise him for his surpassing greatness.

Praise him with the sounding of the trumpet,

praise him with the harp and lyre,

praise him with timbrel and dancing,

praise him with the strings and pipe,

praise him with the clash of cymbals,

praise him with resounding cymbals.

Let everything that has breath praise the Lord.

Praise the Lord.

Psalm 150

TRINITY YOUTH HIGHLIGHTS

by Haley Warner

Trinity Youth Snow Tubing at Ski Roundtop

Trinity Youth concluded their winter season with a fun snow tubing trip at Ski Roundtop. Over 30 students and leaders hit the slopes together on the most perfect sunny, winter afternoon. It was our first large group in-person gathering since October. What a great day!

Youth Group is Back in Session!

After a year of getting creative and meeting virtually, Trinity Youth are beyond excited to meet again for in-person fellowship. As we look back over the past year of cancellations, shutdowns, uncertainty, isolation, and so much pain, we really praise and thank God for how He has sustained Trinity Youth through the Covid pandemic. We are so thankful for the people of Trinity Church and their support of our church and youth ministry that has made this past year possible. We are hopeful looking ahead to Spring and Summer ministry. We continue to stay as safe as possible and uphold protective guidelines whenever we gather. Students in 6th-12th grade are welcome to join us for Youth Group every Sunday evening 6-8 PM at Trinity UMC.

If you are interested in volunteering or serving with Trinity Youth, please reach out to Haley Warner. There is always an invitation, and never an obligation.

SINGLE PARENT'S DAY

March 21 was observed as single parent's day. This note is in honor of all single parents among us. With appreciation for your commitment and faithfulness and a prayer that your all efforts will be blessed beyond measure.

RESURRECTION POWER IN THE WORD - EASTER 2021

For the Word of God is alive and active. Sharper than any double-edged sword, It penetrates even to dividing soul and spirit, joints and marrow. It judges the thoughts and attitudes of the heart. Hebrews 4:12

Some of you have read the scriptures all your lives, others may be new at being in the Word (the Bible), but few of us have actually looked at the Word of God as “alive and active” ready to take hold of us and perform the very Words God proclaims and yet that is exactly what God’s Word says.

Jesus says, “Store up for yourselves treasures in heaven, where moth and rust do not destroy and where thieves do not break in and steal. For where your treasure is there your heart will be also.” Matthew 6:20. Now you’ve read this many times, but have you ever considered that your “treasure” you are to store up is “the Word of God”? When we have the Word of God stored in our heart, we are protected from all evil, and because it is part of us (stored in our heart) we can bring it up and proclaim it every time the devil gives us a negative thought or situation.

For example, I just received a diagnosis of B Cell Non-Hodgkin’s Lymphoma. Now I can take that diagnosis and worry about it, I can keep speaking about the diagnose or I can speak God’s Word of healing. “Surely He took up our pain and bore our suffering....and by His wounds we were (I am) healed.” (Isaiah 53:4 & 5b) again, God speaks His Word on healing “He Himself (Jesus) bore our sins” in His body on the cross, so that we might die to sins and live for righteousness; “by His wounds, you/we have been (I am) healed” (1 Peter 2:24). Now am I still receiving treatment? Yes, God has given us through the inspiration of His Holy Spirit medical technology to activate the body to heal itself. Remember, we are created in the image of God, He created my inmost being He knit me together in my mother’s womb” (Psalm 139:14). You see, when I know what God’s Word says for my situation, I can trust in Him and His Word, believing for the results He has for me. We live by faith not by sight (2 Corinthians 5:7)

The Word has POWER (Wonder working power in the Blood of the Lamb)

THERE IS POWER IN THE BLOOD

Would you be free
From your burden of sin
There's power in the blood
Power in the blood
Would you o'er evil a victory win
There's wonderful power in the blood

There is power power
Wonder working power
In the blood of the Lamb
There is power power
Wonder working power
In the precious blood of the Lamb

CCLI song #21370
Lewis Ellis John
CCLI License #1758300

When we speak the Word of God over our situation, we have the “wonder working power of His blood” working on behalf of us, His sons and daughters.

So, get the WORD sealed in your heart and head and then allow the Holy Spirit to pull up God’s Words when you face any and every situation where you need Victory in your life.

I heard an old, old story, how a Savior came from glory
How He gave His life on Calvary to save a wretch like me
I heard about His groaning, of His precious blood's atoning
Then I repented of my sins and won the victory
Oh victory in Jesus, my Savior forever
He sought me and bought me with His redeeming blood
He loved me 'ere I knew Him and all my love is due Him
He plunged me to victory beneath the cleansing flood
I heard about His healing, of His cleansing power revealing
How He made the lame to walk again and 'caused the blind to see
And then I cried, "Dear Jesus, come and heal my broken spirit"
And somehow Jesus came and brought to me the victory.

CCLI song #1259
Eugene M. Bartlett
CCLI License #1758300

REMEMBER, don’t speak the negative (what you see with your sight) speak the positive (what you see in Faith). Just pull them up from your heart and SPEAK them out in Jesus' Name.

Love,
Pastor Peggy

TRINITY MEDIA BOOST

Helping seekers to believe and believers to seek!

Please pray for our media efforts. Our goal is to share the love of Jesus with those who don't know him and to encourage the faith of believers.

SERMON BY PHONE

Don't use the internet? We are making available a short version of the Sunday sermons on a weekly basis for those who don't use the internet. You can now worship at home with the bulletin and also hear a short sermon. Use your telephone to listen on speakerphone. Dial 717-774-0108 for the most recent message. Share this information with friends in Trinity and beyond who may benefit.

Here is a testimonial of encouragement from Janice Ocamb:

"Good morning Arun, Just want to let you know that mom LOVES the ability to hear your messages, via phone! I called her to give her the phone number the day it was distributed via the voicemail message and she had already written it down. A couple of days later when I was talking to her, I asked if she had a chance to listen and she said she had, THREE TIMES and she might listen to it again and take notes. I showed her how she could put her phone on speaker so that she could have hands free to write and when I asked her about it again yesterday, she said she had listened to it THREE MORE times, LOL! She appreciates the simple technology and I really think it was a highlight of her week. Thank you, and thanks to Nihal!"

LET'S TALK ABOUT THE CHILDREN'S TALKS

We are sharing stand-alone videos of the Children's talks on a weekly basis. Would all of you parents/grandparents/ older siblings be willing to watch the 3-5 mins talks with your children in the family and discuss the following questions with them:

- Was there something you especially liked in the talk?
- How can you follow what God is telling you through this talk?
- Is there something you would like to pray about now?
- Do you have a question?
- Close in prayer (Ask your child if he/she would like to pray)

when they're old they won't be lost. Proverbs 22:6***
