

## **THEME FOR 2023**

***Our Story  
For  
His Glory***

My dear Trinity Family,

*Joy to the world,  
The Lord is come!  
Let earth receive her king,  
Let every heart prepare him room,  
And heaven and nature sing*

With those simple, yet much-loved words, the prolific hymn writer Isaac Watts captured the essence of Christmas. To Watts, Christmas is global – joy to the world. It is revelation – the Lord is come. It is an invitation – let earth receive her king. It is personal – let every heart prepare him room. It is celebration – and heaven and nature sing!

As we enter the portals of a brand-new year, here's wishing you the joy of knowing and living for the Lord Jesus in every moment of the coming year. Yes, I am wishing you joy – no matter what! Some years ago, I was having a really hard day. No surprise, even pastors do! Apart from leaning on the Lord and his love, I have enjoyed the gift of music at times like that. Oh! What a great gift Christian music is! I will never cease to be amazed at the gifts of the Lord seen in the brilliance, eloquence and excellence of Christian hymn and song writers. The blending of musical notes with words that bring melody and harmony are a distinguished treat to the senses and a balm to the soul. And then, there is the part in me that listens to music beyond the Christian circle. Smooth jazz, classical, a bit of R&B, pop, rock (not too much – except for those kidney stones) – and yes, country music. I love country music. On a hard day or on a long drive, I can listen to country music and keep going. Talking about hard days, have you been in a day on which you could identify with that funny Charles M. Schulz line, "I love mankind...it's people I can't stand".

If you have had a day like that, how about listening to Don Williams singing:

*Lord, I hope this day is good,  
I'm feelin' empty and misunderstood,  
I should be thankful, Lord, I know I should,  
But Lord I hope this day is good.*

It has been attributed to American songwriter Harlan Howard to have said that “All you need to write a country song is three chords and the truth”. Harlan Howard is celebrated for having penned over 4000 songs and was inducted into the Nashville Songwriters Hall of Fame in 1973 and into the Country Music Hall of Fame in 1997. One of his statements rings a chord in my heart in a special way. He said, “I take a whole life story and compress it into three minutes.”

Stories fascinate me. Maybe that’s why I love country music so much. The American poet Muriel Rukeyser is famed to have said that “The universe is made of stories, not of atoms.” Would you pause and think about what Harlan Howard and Muriel Rukeyser said? Stories matter. I will add that stories matter because people matter. As we study time and the scriptures, we can become aware that history is really “His story” in which our stories have a place. What a privilege!

2023 is a very special year for us as a congregation. It is our 150th year!! It is a year that reminds us of the faithfulness of our Lord, the faith of our church family over time – and of the amazing opportunities that present themselves as we continue to do life and ministry as God’s children. It is my privilege to invite you during Trinity’s 150th year to celebrate God-stories with us. After much prayer and thought, I was led to our theme for 2023: **Our story for His glory!** I hope this theme excites you and draws you to recounting story upon story of God’s work in our world, our community, our church, our families and in our hearts.

In Psalm 89:1, the Psalmist declares, "I will sing of the mercies of the Lord forever; with my mouth will I make known your faithfulness to all generations." That commitment to sing and declare what the Lord has done is at the core of our faith. When God’s people were saved in Egypt from being struck by death in the 10th plague, they were reminded to never forget the Passover. The Lord instituted a reminder within their calendar for the future. A reminder of that night of divine deliverance. “In days to come, when your son asks you, ‘What does this mean?’ say to him, ‘With a mighty hand the Lord brought us out of Egypt, out of the land of slavery.’” Exodus 13:14.

What was the Lord asking of his people? He was asking them to be storytellers of his grace and glory.

Campfire story times.  
Starbucks story moments.  
Stories at the water cooler,  
Stories at breaktime at school and work,  
We are called to tell the greatest story ever told.

Ponder these beautiful words from the hymn writer Katherine Hankey:

*I love to tell the story,  
‘Twill be my theme in glory,  
To tell the old, old story  
Of Jesus and his love.*

### PRAYER FOCUS FOR JANUARY

Every time you look at your calendar, watch or clock, would you praise God for his faithfulness to us as a church over 150 years?

I began writing this letter with a mention of that much loved carol, “Joy to the world.” I will close by mentioning joy. I have learned in my journey with the Lord that while I may not always have a reason for happiness, I will never be left without a reason for joy! That’s one lesson from my story. What about you? What’s a life-lesson that you treasure? Would you kindly think about it, meditate upon it, write it down and share it with a friend?

Let’s be about our Father’s business – one story at a time.

Arun

P.S. Thank you for being the most loving and wonderful church family. You are such a gift!

### TRINITY’S 150TH ANNIVERSARY

During this special year, we look forward to months filled with moments that will remind us of God’s faithfulness in the past and of our mission in the present and the future. We are thankful to Shirley Sharpe and the leadership team for their efforts to plan moments that will be announced as we go along. We are thankful to Rev. Rodney Miller and the 150th anniversary history committee for their efforts to bring highlights from the 4 distinguished periods of Trinity’s journey as a congregation through 150 years. You will be invited to participate in moments of worship, fellowship, celebrating ministry, celebrating children and youth, fun moments with our New Cumberland community, a tent-styled meeting with a meal, intergenerational moments of gratitude, reaching out to serve our community and more. It promises to be a promising year.

### TRINITY’S VOTE ON DISAFFILIATION

As we journey together through this new season, let us rededicate our lives to the Lord as a congregation. As we have been reminded by our leadership team, the Lord has been faithful to us over 149 years and He will continue to lead us. The vote of December 7th to disaffiliate from the United Methodist Church has set into motion a series of tasks/obligations that the leadership team is committed to fulfill in keeping with our Susquehanna Conference’s deadline of March 31, 2023. Let us pray that this season of new direction will be a time that deepens our love for the Lord, his Word, his people, our community and for our mission as a church. Should you wish to talk, please feel free to contact Shirley Sharpe, Pastor Arun or members of the leadership team.

How about starting a special 150th anniversary praise journal? How about writing one thing you would like to praise God for on each new day (or once a week)?

## **150TH ANNIVERSARY HISTORY COMMITTEE JANUARY “TRINITY TIDINGS” ARTICLE**

Hello Trinity Church,

Most of you probably know that in 2023 Trinity Church will celebrate 150 years of ministry at our present location in the borough of New Cumberland. This is a significant milestone in the life of Trinity United Methodist Church, not because we have simply existed for 150 years – a significant feat in an ever changing world, but because we have been in mission and ministry to the people of New Cumberland, and its surrounding communities, for all those years. So, during the course of this coming year, we will celebrate the mission and ministry of Trinity Church, not to boast about our successes, but to humbly reflect on how the Lord has used the people of Trinity to serve and love across the generations of our existence.

Perhaps the most important aspect of Trinity’s continuing ministry across the years has been the willingness and commitment to adapt to the changing nature of the community in which we are located. This has not always been easy because New Cumberland and its surrounding communities changed significantly in the past 150 years. The fact that Trinity Church continues to exist and continues to minister in the name of our Lord is visible testimony to our commitment to recast our vision of ministry to meet the changing circumstances in which we find ourselves.

So, as we celebrate the 150 year history of Trinity Church, we can learn valuable lessons about the ways that our “ancestors of the faith” in our community met the challenge of ministering to new people. We will see how they were able to do this as we celebrate the development of our ministries of worship and music, mission and outreach, education and spiritual nurture, as well as the art and architecture of the church. This all will be accomplished with monthly articles in Trinity Tidings, quarterly displays of pictures, artifacts and other documents, as well as special Sunday events and fellowship opportunities. So, please avail yourselves of these many opportunities to celebrate the legacy of Trinity Church in order to more effectively embrace the ministry our Lord has in store for us in the years to come.

Rev. Rodney K. Miller, Chairperson, 150th Anniversary Historical Committee

## THE PRAISE CORNER

by Todd Davis, Director of Music Ministries

*“O God, our help in ages past,  
our hope for years to come,  
our shelter from the stormy blast,  
and our eternal home!”*

(Words: Isaac Watts, 1719; Music: William Croft, 1708)

## HAPPY NEW YEAR!

With the arrival of 2023, it's hard to believe that we are almost a quarter of the way through this century! Reflecting upon the last 23 years and looking ahead to, hopefully, the next 23, I can be thankful for many blessings God bestows on me.

First and foremost, I think about Cathe and Hayden. They are my wonderful, joy-filled, caring companions and best friends forever. Their loving spirits are contagious! For nearly 10 years, Cathe has been a rock, an enormous support in our life journey together. Watching Hayden grow and learn is a parental blessing I cherish greatly!

## MIDWEEK MUSIC CONCERTS

Midweek Music concerts continue! Many, many thanks to everyone who attends and watches online! Each month, we celebrate with a special theme. Last month, the “Sunnier Side of Sixty” group attended the program. Thank you! In January, we'll ‘ring in the New Year’ to start 2023! Please join us for these times of music! Concerts are on Wednesdays at noon and last approximately 30-40 minutes. It's always a fun time, online, and/or in-person! You may even find humor in my jokes and entertainment in the occasional magic trick.

## CHOIR

The Chancel Choir resumes in January!  
Please see me with your interest in joining the group.

I am thankful to God for the opportunity to present these programs and thankful for everyone's continued support of these programs.

Soli Deo Gloria!  
Todd

# Thank You

### **Thank You:**

*Thank you for the cards and prayers surrounding the sudden home going of Ron's sister, Lois Jean Sider. Since Trinity's online services began, Lois Jean worshipped with us. She was a regular attendee of the 8:15 online service. Lois Jean was a servant of God's, having spent 35 years as a missionary in Zimbabwe and Zambia under the Brethren in Christ Church. A sudden passing is a shock but we rejoice in knowing that she is with the Lord. Ron and Beth Sider*

### **Thank you from the Worship Team and Beth Sider:**

*Thank you to the wonderful team who decorated the church. Trinity's sanctuary was so beautiful with the tree, garlands, and lights! Did you notice that we have a new tree and garlands that go around the sanctuary? They replace the ones that had gotten very old and were difficult to work with to make look nice. The volunteers were: Tom and Cathy Baum, Mike and Dianne Schofield, Scott and Kendall Bankert, Daryl Potteiger, Jim and Sue Wertz, Rose Murray and family, Wilma Rockey, Arlene MacMillan, and Ken Gable. Thanks to each one for their part in decorating. May they be blessed.*

### **Gratitude for cards from congregation**

*Pastor Arun and family and all our staff are grateful for your cards and wishes during this wonderful season.*

## THE A.S.K. PROGRAM

This program is an ongoing food drive that benefits Students/Kids of W.S.S.D. There is a list of the preferred items on Trinity's website and a copy on the bulletin board in the Narthex. Please consider bringing items to the church and putting them on the designated A.S.K. table in the hallway. You can also make a financial donation and put it in an offering plate. Please make checks payable to TUMC with ASK on the memo line. Please contact Cathy Baum for further information. Thanks to all who support this project.

## SHARING YOUR FAITH: FREE BOOKLETS TO GIVE AWAY

People have longings for God because he put the longing in them. Sometimes, all it takes is a few words or a faithful witness to help them go beyond the longing – to actually meet the Lord. Would you be willing to be an instrument to share the Gospel and your faith with others? One way you could do so is by personally handing out free booklets from the display in our lobby/Genesis Room. Why not take a copy or two, pray over them and share it with a friend? You never know if one soul might one day be in heaven because you took the step to share your faith.

## REVIVE WORSHIP - "CATCH UP, GOD!"

by Jamie Bream, Contemporary Worship Leader

We live in a fast-paced world. You can confirm this by simply taking a look around. Fast-food establishments dot the intersection of every highway exit ramp, and maybe even the corner of your town square. Amazon promises two-day delivery... and if that's not fast enough, they can get your package to you the same day you order it. We get frustrated if our phones can't display our emails or social media pages within two seconds of clicking the launch icon. And so it goes on. Sometimes just thinking about the speed of life makes you want it all to stop.

This was the world I lived in all through my college years as I balanced 18 credit hours, two major performing ensembles, and a part-time job nearly every semester – not to mention outside rehearsals, practice for private lessons, and time to eat, sleep, and get together with friends. But I loved the speed of it all, and after graduating in December of 2021, I was ready to dive straight into worship ministry – or so I thought. After nearly a year of searching for a permanent position, I found myself discouraged, worn out, and tired of trying. In my striving to fill God's calling on my life as quickly as possible, I had forgotten what He had said about the very situation I was in: "For every activity there is a right time and procedure, even though man's troubles are heavy on him" (Ecclesiastes 8:6 HCSB, emphasis mine). Instead of waiting for God to show me where He was sending me, as He had numerous times before, I had rushed ahead and was waiting for Him to catch up to my plans, which ultimately led to a period of time when I had no interviews, no leads, and no real sense of direction. Soon after realizing this and taking some time to simply trust and rest in God, the door opened for me to apply at Trinity.

Even as God was leading me to Trinity, He was preparing me for the task of creating and organizing a contemporary worship service through the opportunities He had previously given me. My vision is to see this ministry take off with excellence and remain so as it grows, attracting both existing church members and newcomers. I also anticipate it being a ministry that is led by the church, bringing glory to God through all that we do, say, and sing. Please reach out to me if you are interested in serving with the worship team and/or media team for this service – we'd love to have you!

Thank you all for your prayers and for welcoming me into the Trinity family – it means the world to me! I'm looking forward to meeting more of you this coming year and serving you in any way I am able. To God be the glory!

## CONTEMPORARY WORSHIP

Young families, young adults, youth and children are often part of the wish list of any congregation that is trying to do life and ministry for the kingdom of God. At Trinity, we have long desired for new life and new people joining us in our journey with Jesus.

Thanks to all of you who have been praying for our new venture of contemporary worship services. We had anticipated starting the services in early January but will for the time being move our starting date until Fellowship Hall is equipped for us to be functional. We are deeply indebted to the Lord for an anonymous supporter who is taking care of all costs related to making Fellowship Hall a conducive space for not only contemporary worship, but also for our other programs, including VBS, musicals, plays, etc.

How can you help? Would you kindly think of individuals or families that you know who might be interested in a church that has contemporary worship services? Would you please talk to them? We are hoping to start the services in February of 2023. Please also continue to pray for Jamie Bream as he works towards building a team and band that will not only play/sing together, but will journey together in sharing their faith experiences, devotions, reflections and meditations about the songs they will lead us in – and above all, be representatives of our Lord.

For all of you, coffee fellowship lovers out there, please note that we will continue to have coffee fellowship even when we start contemporary worship. We will work towards a good transition between coffee fellowship and contemporary worship with the kind help of Cathy Baum, Jo Lower and all those who volunteer. Who knows? That cup of coffee might be a great morning inspiration for contemporary worshippers.

## TRINITY YOUTH

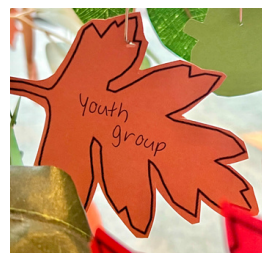

by Faith Perlick, Director of Family Ministries

I am pleased to write that Trinity Youth is flourishing! We have doubled in size and are welcoming new faces every week. Recent activities have included nativity related scavenger hunts, acting challenges, ball games, and a very special Thanksgiving tree project which can be seen displayed in the church lobby.

We have just finished our “Shake It Up” lesson series, which taught us to meditate on the true meaning of Christmas amidst a hectic holiday season. We are beginning a fascinating series by Drive Thru History called “Bible Backroads” which details the Gospels in their historical context and shares the importance of each book. Hosted by Dave Stotts, this lesson series is quickly becoming a fan favorite!

Thank you so much for your continued prayer and faithfulness to this ministry. This month, please join me in specifically praying for the parents of each student. A recent statistic tells us that every year a church-going child spends on average 40 hours at church and 3000 hours at home – our parents need all the prayer they can get!

## MINISTRIES MAKING A DIFFERENCE

God is at work. We are privileged to be His partners here in New Cumberland and beyond. We are thankful that Trinity can be involved directly in some ministries and can also support other ministries with prayer and finances, beyond our immediate circle. Would you join us in thanking the Lord for all these ministries that Trinity is blessed to be involved with/partner with? These ministries that are listed are representative of what we are doing beyond the walls of our church.

Red Bird Mission	Youth mission trip benevolence
Commission to Every Nation	Neighborhood Center
Starfish Ministries	CCU-HELP Ministries
Downtown Daily Bread	Medard's House
Bethesda Mission	A.S.K. Program – West Shore School District
Mission Central	Sewing group/quilt ministry
New Hope Ministries	Church World Service Blanket Sunday
Sierra Leone (UMC)	CROP Walk
Salt 'N Light Youth Ministry	Harvest Home/World Hunger
Backpack program	Operation Christmas Child
Love Box ministry	World Vision
UM Benevolent Homes	Music Mission Kiev
Vickie's Angel Walk	

While this list does not mention our small groups, music ministry, study groups and regular Christian education activities, we are thankful to the Lord for all of them and for all our staff, volunteer leaders and participants who make them possible. It is always difficult to create lists like this because we run the risk of missing some mention. If something was missed, it was certainly not intentional. We are confident that those who serve at Trinity are committed to doing it because of their love for the Lord and to receive the applause of heaven. Let us continue to prayerfully support these ministries and others that the Lord might bring our way.

## CUSTODIAL REQUEST FORMS

Keeping Trinity tidy is a commitment we can all be happy to participate in. Thanks especially to our custodian Harry Rodriguez for his faithful work round the year.

Did you know that you can give Harry feedback about custodial tasks? Harry is happy to hear from you. Please use the custodial request forms available in our mailbox section. When needed, kindly fill a form and place it in Harry's mailbox. This form does not relate to requests for set up of rooms/ events. For such set up requests please contact our church office in advance. We are appreciative of all who help in setting up and tearing down for church events. Thanks to leaders of activities who also take care of such matters on their own as they are able.

Also, in case you are disposing cardboard boxes, please break them down if you can, before placing them beside our small trash cans. Please do not squeeze large cardboard boxes into small garbage cans/ boxes. Another option is that you can leave larger boxes beside Harry's cart which is parked in our storage area in level 2. The door to the left of the elevator as you stand before it - leads you to the storage area.

Thank you for your help in continuing to keep Trinity "squeaky clean" or shall we say "spic and span"!

## PRAY AND GO

**Citizens Bank parking lot, Harrisburg**

We are ready to begin 2023 serving our "friends on the street." 2022 was so successful (in terms of serving more homeless friends than ever). We had several bigger projects this year and were able to help a family in a domestic violence situation from homelessness and we placed several into housing and have helped one with a baby that was delivered in December. Please keep our homeless friends in your prayers. God bless you all and a Happy New Year to all!

**CURRENT NEEDS:**

insulated underwear, men's gloves, boots, vitamins and cold/flu medicines (OTC-no liquids please)

**LOVE BOXES**

For the month of November, we gave 35 families a turkey and a box with all the trimmings to complete their Thanksgiving meal. Each person expressed their happiness that our congregation donated food to be shared with their families. Starfish Ministry helped with the donation of coats for some of our people that needed them. For Christmas, 30 of our people in need received a baked ham for their family Christmas meal. We will be not be distributing for the month of January. New drop off food hours will be 9:30 to 11:00 a.m. God is good. Thank you love box team. Carol Evertts
