... Proclaim the year of the Lord's favor. Luke 4:19

From the Pastor's Desk

My dear Trinity family,

As I write this pastoral letter, the Carolinas and the Philippines are experiencing the effects and misery that Hurricane Florence has brought upon them. Let us continue to pray and join the many who reach out with their, love, gifts and support. At Trinity we are inviting you to support the cause of the Carolinas through the combined efforts of the Churches of the Susquehanna Conference of the United Methodist Church.

It is hard to fathom the depths of sorrow, pain, inconvenience, uncertainty and loss experienced by those whose lives are altered dramatically and forever by such natural calamities. On the other hand, we are grateful for the commitment of first responders, hospital teams, social action groups and churches who step way out of their zones of comfort and even safety to help those in need. Thank you! God bless you!

On a local note, we are grateful for the blessings we received at our all-church retreat held at the Camp Hill United Methodist Church on the 25th of August. I cannot thank God enough for the fantastic work of our retreat planning team led by Shirley Sharpe. Thanks for working through every detail so meticulously. We were blessed by the excellent ministry of God's Word by our guest speaker, Tracy Jones. Our young people stirred our hearts and vision as they shared from their faith, hearts, and lives in an engaging panel conversation led by Haley Warner. The spoken word and choreograph they presented under Rebekah Lando's guidance was inspiring. Our children had the most amazing time in their session with our team, their in-house workbooks and an engrossing story reading time by Tracy Jones.

Only one thing went beyond our plans that day. The singing time led by Dan, our music man was going well, until some of those nuns from a nearby convent whizzed in and stole the show! Can someone tell those "Sister Act" conductor, singers, shakers and movers to slow down the next time, please?

What a neat, fun day it turned out to be for us as a congregation! Thank, you Lord! Thanks to each of you who worked behind the scenes to make the day special. Thanks to each of you who prayed and to each of you who were able to make it.

On our children's ministry front, Donna Ratulowski and our team celebrated Promotion Sunday on September 9th. We wish our students the very best in their next steps of walking with Jesus.

As we move forward we are looking ahead with anticipation to support our youth in their involvement in the Apple Festival of New Cumberland (29 September at the Borough Park). We are also looking forward to our participation in Vickie's Angel walk (13 October at the Borough Park). We are hoping to have a real good number of us participate, pray, sponsor walkers or stand at the Trinity sidewalk to cheer walkers on that day. This is a precious and important local cause that seeks to financially and practically help families whose lives are altered by cancer. We are privileged to have Mickey Minnich, the founder of Vickie's Angel Foundation worship with us here at Trinity. Our mission's coordinator, Carol Evertts and our team of volunteers will also be hosting a luncheon to support Vickie's Angel Foundation on Sunday, 14 October at Trinity.

Over the years Mel Eyer has helped us at Trinity to support the "Crop Walk" as it engages worldwide in the battle against hunger. This year the crop walk is scheduled for Sunday, 21 of October. Do participate or sponsor a walker. We will also be making efforts to connect with community on the evening of the New Cumberland Halloween Parade (16 October: Contact Kathy Miller/ Carol Wilson for details) and by using our parking lot for "Trunk or Treat" (27 October. Contact Carol Crossley/ Michelle Loomis for details)

In our worship services, we will be engaged in a new preaching series titled, "Move". It will be a series that will challenge us to "move on to move out". I am sure you remember what I have repeated often, 'The inward church will be the backward church.' By contrast, 'the going church will be the growing church'. I am sure you have also heard it said that, "The Church is not a museum for saints but a hospital for sinners". As churches in New Cumberland, can we pray and consider how we may be able to do more in helping families hurt by the opioid crisis, special needs, cancer, unemployment, financial losses and the daily challenges of life?

As I have shared earlier, we as the United Methodist Church are preparing for a very important special session of the General Conference scheduled for February 23-26 in St. Louis, Missouri. "The purpose will be to receive and act on a report from the Commission on a Way Forward, based on recommendations of the Council of Bishops. The 32-member commission was authorized by General Conference 2016 and appointed by the Council of Bishops to examine paragraphs in the Book of Discipline concerning human sexuality and exploring options to strengthen the unity of the church." I plan to facilitate a holy conferencing time about this matter with you. Please await further announcements.

*We welcome Shirley Sharpe to our pulpit on Laity Sunday. Shirley has been a precious blessing to us as a diligent Bible teacher and recently as leader of our All-church retreat Team.

I have some good news for you with regard to our prayer, discipleship and missional efforts. We are delighted to welcome Rev. Peggy Spengler into our wonderful team of staff. Pastor Peggy comes with 30 years of pastoral ministry experience. The Lord has laid a specific burden in her heart for the people of New Cumberland. We are grateful that Peggy will come on board in a part-time role as our Pastor for prayer, discipleship and evangelism. She will simultaneously serve in a similar role with Baughman United Methodist Church. We pray that by such a partnership we can do even more for the Gospel in our city and beyond. Let us pray for her speedy recovery after her upcoming hip replacement surgery.

Let me close by sharing this moment with you. I was waiting to enter an elevator at a hotel lobby recently when a steward from the hotel pointed at Nihal who was seated in the lobby. "That must be your boy, Sir! Anyone can tell!"

Really? Could someone actually see through to the core of our family commonness? Even with the contrasts of my balding head and his flourishing hairstyle? My 'conventional attire' and his in-culture haute couture? My greying beard and his clean shaven good looks?

As the elevator doors closed and I was being transported to my choice of level, I wondered, if those who saw the way I live, would say to the Heavenly Father, "That must be your boy! Anyone can tell!"

In partnership for the sake of the Gospel with you,

Arun Andrews

Trinity Reaching Out for STARFISH MINISTRY

One day, an old man was walking along a beach that was littered with thousands of starfish that had been washed ashore by the high tide. As he walked he came upon a young boy who was eagerly throwing the starfish back into the ocean, one by one. Puzzled, the man looked at the boy and asked what he was doing. Without looking up from his task, the boy simply replied, "I'm saving these starfish, Sir". The old man chuckled aloud, "Son, there are thousands of starfish and only one of you. What

difference can you make?" The boy picked up a starfish, gently tossed it into the water and turning to the man, said, "I made a difference to that one!"

The Starfish Ministry was begun by Carol Crossley and her family by simply visiting the street people of Harrisburg with cold water, snacks, blankets, ground mats and hand warmers. Many other friends, neighbors and family have joined them, including Trinity Church. Trinity has opted to join in this venture as we go to the streets the 2nd Sunday of each month to serve homeless men, women and children by directing them to support resources, distributing needed items, praying for/with them, and giving the personal touch as a hug or a listening ear.

Please talk to Carol if you have any questions, suggestions, or would like to join us.

The annual Church Conference will be held at
6:30 PM on Monday, October 1st in the Mt. Olivet Room.

Rev. Barry Robison will chair the meeting.

All members are invited and encouraged to attend.

You pinned over \$1,000 to our Church World Service Blanket on August 19. By the time our gifts were forwarded to Church World Service, you had contributed \$1,339. The blankets our money will purchase could end up on the other side of the world or somewhere in our own state. Wherever there are people in crisis there will be blankets to provide comfort and shelter. We also received a number of blankets which were delivered to Bethesda Mission. Thank you for your generous support.

I want to thank Pastor Andrews, Rev. Peterson and Barbara Z. for their visits both before and after my surgery. Also, thanks for prayers from the church family.

~JoAnn Frownfelter

Thank you for the many cards, flowers and prayers for our mother, Mary Snyder, during her recent hospital stay, rehab and move to her present location at her daughter's home in Mechanicsburg. Special thanks to Pastor Andrews, Pastor Peterson, Barbara Zimmerman and Dan Stokes for their visits. They eased the difficult times and adjustments for Mother.

"Thank you all so much for your love and prayers in the loss of our son Shepherd. We especially appreciated the baby prayer shawl we were given that Shepherd was able to be wrapped and laid to rest in. We are blessed by your love and support.

Love, Andrew and Kim (Ickler) Nichols"

I'm so grateful... for your thoughtfulness, your kindness and your generous heart. Thank you. Just wanted to thank you for the prayers and beautiful cards from everyone. ... Lots of scary things are still going on. That's why I am not at church. But hope to be back soon. Please keep the prayers going. ... I just want my life back.

God Bless,
Vicki

Thank You

Thank You from the Worship Team

Thank you to many for your various jobs within the church building. What a joy to arrive on a rainy Sunday morning and see Jeff Brinton (Umbrella Brigade) with an umbrella, welcoming and assisting persons to stay dry as they come from their car to the church doors!

Thank you to new ushers: Erik Schaeffer, Kurt Schaeffer, Rich Jones, and John Williams

Thank you to Celebrate from Heart and Spirit group: Linda Love, Carol Brown and Linda Klitch for their service project of replenishing pew racks each week with offering envelopes, prayer cards, and electronic giving cards.

There are some small jobs needing someone to do. Might that be something YOU could do? To inquire about the job or volunteer, ask Beth Sider at 717-766-0420, or see her in person at church services. What a privilege to work for the king of Kings!

SPOTLIGHT ON MISSIONS

Operation Christmas Child is a ministry of Samaritan's Purse. People from all over the country put gift items in shoe boxes, geared to age and gender. After collection at a local drop-off center, these boxes are then shipped all over the world to children who are in need. Can you imagine being a child and never having received a gift of your own? Think of how you can touch the heart of a child who has had that kind of life...

Operation Christmas Child has already changed the lives of thousands of children! And we have the potential to reach so many more, making disciples for Jesus Christ, as we have been commissioned.

With each shoebox that's delivered, not only does a hurting child receive tangible gifts of thoughtfulness, but that child also receives an opportunity to learn about Jesus and His sacrifice for all of us. The boys and girls are invited to return to the local distribution church and attend a 12-lesson Bible study, called The Greatest Journey. When the children graduate from the program, they receive a certificate of achievement and a Bible in their own language. In many countries, Bibles are rare and these gifts become invaluable treasures, not only to the children who receive them but to their whole families.

Would you like to participate in Operation Christmas Child this year? Collection week is the third week in November. Watch for more information in the bulletins. Also, here is an opportunity to learn first-hand what it meant to be the recipient of an OCC shoebox:

Full Circle Speaker from Operation Christmas Child

Hello! The North Capital Team of Operation Christmas Child is happy to announce that we will have a Full Circle Speaker come to our area on October 14, 2018. A Full Circle Speaker is a person who received a shoe box as a child and is now telling their story of how the power of a simple gift has changed their lives. Alex Nwendigmana is coming to our area. You will not want to miss this special event. Please see the flyer on the bulletin board. Join us for a special night on October 14th at 6:30 PM at Trinity United Methodist Church in Hummelstown, PA.

"Trunk or Treat" is a safe alternative to traditional door-to-door trick or treating and is another opportunity for Trinity to be a presence in the community. Participants park in the parking lot and open their decorated trunks to hand out treats to children who visit. Be as creative as you wish with your decorating and costumes, but please keep it "kid-friendly" - not scary. Trinity will be serving hotdogs and popcorn. Sign-up sheets to participate and donate are on the table across from the mailboxes. Participants should arrive by 5:30 for set-up. Please contact Carol Crossley with questions.

TRINITY YOUTH HIGHLIGHTS

Heading Back to School & Bringing God with You

School has officially started back up and our youth are keeping busy with their studies, families, church commitments, sports, instruments, and dozens of other activities. In a world where everything is competing for their attention and time, they're learning how you don't have to choose between God and the things you love to do. The question they're considering is how to put God at the center of every single part of their lives and use the gifts and abilities He has given them to worship Him by living life to the full. So, whether it's on the athletic field, in the worship service, or preparing for an exam, the youth are seeking to do their best and to "do it all for the glory of God" (1 Cor. 10:31).

*"Don't give God your excuses.
Give Him everything you've got,
because He's the only one
deserving of all you have."*

~ Dr. Tony Evans

Representing Trinity at "Impact Rewind"

At this year's "Impact Rewind", youth and adults participated in creative worship led by Salt 'n Light Youth Ministry as they brought back skits and dances from their "Impact" event this summer and challenged the youth to be more "open" to God and others with the things they carry. It was a beautiful night of spiritual renewal and concluded with a difficult charge to the youth to continue making God a priority in the midst of the busyness of the school year (isn't this a challenge to all of us??).

Promotion Sunday, Welcome 6th Graders!

On September 9th, the youth welcomed five 6th graders into the youth family! We welcomed Mia Fort, Ava Harris, Cecil Leppo, Aleah MacMinn, Angel Snyder and Andrew Wickenheiser. It was so encouraging to see all the energy, time, and wisdom the Sunday School teachers have invested in these young boys and girls throughout the years.

VICKIE'S ANGEL WALK & LUNCHEON

Saturday, October 13th & Sunday, October 14th

Vickie's Angel Foundation has become a "lighthouse of hope" in our eight counties. Vickie's Angel Foundation seeks to take the financial stress away from the family, so they can focus on cancer treatments and not finances. You can join us as we support Vickie's as a church family and join in the walk as **"Trinity Heart and Sole"** walking team and/or attend the **Luncheon** after the 10:45 am service on October 14th. 100% of walk/luncheon proceeds will go directly to local families! You can support by walking, sponsoring another member/youth who is walking, sending us off at Boro Park the morning of, holding signs as we pass by Trinity on Bridge Street, enjoying a great meal at the luncheon, and by lifting the team and event in your prayers. Please sign up if you plan to attend the luncheon. We hope to see you at the 16th annual Angel Walk through New Cumberland as we walk together as a church family to support such an amazing cause! Contact Carol Evertts / Haley Warner for more info.

MUSIC NOTES FROM DAN

One of the highlights of summer vacation is the opportunity to experience the body of Christ at worship; I'm always energized by the sense that I'm part of the fellowship, even though I don't know a soul. I shared this experience with my parents while on our family vacation.

We arrived 20 minutes before the service and were warmly greeted by the church pianist. She explained that they were a small congregation fighting to stay alive. Those same words were echoed by the church lay leader who expressed her personal determination to do everything possible to keep this church from closing. The small congregation was pleased to have a visiting pastor leading that morning.

At the conclusion of the service, we once again experienced the warmth of those gathered as they insisted we join them for coffee in the church basement. As we sat around a single banquet table, (the morning attendance was 12) we were surprised to see another table of equal size filled with homemade cookies, breads and a pot of mouth watering homemade chicken noodle soup, made by a woman who got up at 5:30 a.m. to prepare this gift. We were included in the conversation, generously and thoughtfully, a conversation which was gently peppered with memories of congregational vitality in days gone by. It was a poignant experience sitting at a single table in the middle of an aging Fellowship Hall—the remnant of a congregation gathered to share an abundance which could have brightened the lives of so many more people.

As my parents and I traveled back to our campsite I was struck by the gifts this congregation did have. They had both a desire and the ability to welcome people AND they had fantastic homemade chicken noodle soup! I wondered if homemade chicken noodle soup could work the same miracle as the loaves and fishes of a child? What if this very sincere congregation were to make chicken noodle soup for folks who simply need to know that someone cares? It's easy to be so consumed with anxiety for our institutions that we miss the joy of sharing the love of Christ with the gifts at hand!

When I wrote this 5 years ago for a Presbyterian publication, I had no idea that I would be fortunate to serve a congregation with a soup ministry! Submitting this article with gratitude for Ken Puller, Steve Frommell and the Soup Fellowship Team as they provide soup and a place of caring fellowship to radiate the power of the Gospel.

Onward!

Dan

WORDS OF WELLNESS

“God has given each of you a gift from His great variety of spiritual gifts. Use them well to serve one another.” ~1 Peter 4:10

This invitation to serve one another fulfills a divine purpose. For many, it was the care we received in our early years and lessons learned - often through Mother’s example- that guides our behavior even now.

Remember when...after a trying day, we found comfort in Mom’s meals..

MISSION OUTREACH MEALS

Our Mission Outreach Meals hope to do the same. You may already be preparing for those in need and your good works are commendable. This ‘extended’ ministry - M.O.M. - provides for our post-surgical, recently-hospitalized, and those receiving ongoing treatment. If you would like to share your

culinary gifts, please contact Carol Evertts or me, so that we may coordinate our efforts. Thank you for your willingness to serve.

~Barbara Z.
