BUT THANKS BE TO GOD! HE GIVES US THE VICTORY  
THROUGH OUR LORD JESUS CHRIST.  
I CORINTHIANS 15:57

## From the Pastor's Desk

My dear Trinity Family,

We count our blessings as Spring bursts forth with beauty! What a privilege to live in this part of the world especially in this season of time!!! A walk along paths decorated with redbud, magnolia, dogwood or forsythia fills the heart with wonder and draws the soul to worship. Even the coldest winter's day is blissfully forgotten in the warmth of a delightful Spring day.

Who said waiting is not worthwhile? With cardinals, robins, finches, woodpeckers and other birds adding to our audio-visual delights, our senses are tickled by nature's brushstrokes only leaving us craving for more! All this becomes even more meaningful in the season around Easter. It is no surprise that the famed Martin Luther said, "Our Lord has written the promise of the Resurrection, not in books alone but in every leaf of springtime".

As we savor the meaning of our Lenten journey and celebrate the victory of Christ's Resurrection, we are reminded that in Him all things are made new (2 Corinthians 5:17). Our youth shared that very promise with us on Youth Sunday as they focused on the theme, "Transformed". Each of them did their best in offering their worship unto the Lord. Using youth language, let me join you in saying, "Hey, guys, your Trinity Family is proud of you! You did a fantastic job!!" That goes for Haley and our adult volunteers too. And yes! Shane Sweger! Way to go!!!!

Our Men's Lenten prayer breakfasts were a treat of a time with powerful, soul-searching and inspiring messages from respected Pastors and superb breakfasts. Thanks to Eric Rodgers and our dedicated team of men. Thanks to all of you who attended and brought a friend.

As we approach the month of May 2019, we are entering a power-packed zone. Why do I say so? Because we will be joining a nation-wide celebration of the National Day of Prayer. Just imagine the power of millions of Christians praying in unity as we focus on the theme of love all across the United States of America? At Trinity it has been a special season of preparation as we engaged through the Lenten season with Pastor Rick Warren's "40

Days of prayer” series. What a blessing! Thanks to each of you who participated. Let us pray for Beth Sider and our National Day of Prayer team as they lead us to participate together at Trinity through our 24-hour prayer chain and street-side service. Let us remember Pastor Peggy Spengler as she leads the joint-effort of the churches of New Cumberland as we look forward to a united human chain of prayer on May 2. God is at work!

We also look forward to our partnership with the Churches and businesses of New Cumberland as Community day will be hosted on May 4. Trinity’s hotdog and children’s activity tents will be received with gratitude. Grateful to Tom and Cathy Baum and volunteers. Thanks to all of you for your support. Our Trinity Youth in partnership with Recycle Bicycles of Harrisburg and Parthermore Funeral Home will host the Bicycle Extravaganza on May 4 at the Trinity parking lot. You are invited to donate usable bicycles and also pass the message to anyone who might need a bicycle or helmet – free! Thank you, Jim Uber, Parthermore family and our Trinity Youth! On the heels of Community Day, we look forward to our second hand sale hosted by Donna Ratulowski and volunteers at Fellowship Hall on May 6-8. We are also gearing up for the most exciting children’s programs of the year – Vacation Bible School and Summer in the Sonshine. Let us pray for a truly wonderful work of God’s grace through the events. Let us pray for the VBS team lead by Donna Ratulowski and Haley Warner and our Summer in the Sonshine team led by Mary Herr. Stay tuned for further details.

As I write this letter, we continue to pray for our United Methodist Church, as we await the ruling of the Judicial Council with regard to the Traditional plan voted at the recently concluded General Conference. We keep our eyes on the Lord and trust Him to lead us as his people.

Someone once said, “Prayer moves the hands that move the world”. Prayer is a gift that transports sinners to the heart of a Gracious God. It is that divine balm which can soothe the pain in every broken heart. Prayer is the powerhouse in God’s house! It is the fire beneath the revivals that changed nations. It is the force that propelled great missions, inaugurated life-changing ministries and transformed billions of lives through the centuries. It emboldened persecuted Christians to withstand the tyranny of tyrants, the heartlessness of persecutors and the unfaithfulness of traitors. Yes, if we only understand the power of prayer, we will never fear the power of any challenge.

The Greek words for power is “dunamis”. You guessed it! The root of the word dynamite! Prayer is like dynamite. It can unearth hidden treasures. It can blast away hinderances. It can help relocate material. It can make way for tunnels, roads and tracks to previously inaccessible destinations.

May we continue to experience the power of prayer and enjoy the gift of prayers of power.

In Him who answers every call,

**Pastor Arun**

## Thank you from the Worship Team

Thank you to Connie Williams for sponsoring the congregation palm branches on Palm Sunday. And thank you to the youth who helping to split the palms on Saturday morning!

Thank you to Mary Lou Twigg and Jean Ruth for the new banners that they recently made for Trinity. The banners were displayed for the first on Easter Sunday and focus on our 2019 theme, "Victorious."

Thank you to the flower team headed by Joyce Klinger who was responsible for the decorating and arranging of the Easter flowers. Also, to those who helped distribute the flowers to the homebound.

## Thanks for the Beauty of the Earth

In a span of twelve hours, I saw three things that reminded me of our many BLESSINGS here on earth. On my walk yesterday evening, I saw three doves that gave me a FEELING OF CALMNESS & PEACE this HOLY EASTER week. I also saw many trees and flowers that have their new SPRING attire on and they looked BEAUTIFUL reminding me of the BEAUTY of God's earth and how AWESOME his creations are. Then, while driving to work this morning, I saw the sun coming out of the clouds with BRIGHT LIGHT RAYS outstretched just like THE HAND'S OF OUR LORD AND SAVIOR TO ALL OF US!!!

THE LORD HAS ARISEN INDEED!!!

Have you walked through the hallways of church and noticed the fresh coat of paint? Thank you Harry Rodriguez and Daryl Potteiger for getting the job done!

## TRINITY YOUTH HIGHLIGHTS

### Youth Sunday 2019: A Day of Transformation (On the Inside & Out)

Samuel. Timothy. Solomon. David. Mary. Gideon. Josiah. Daniel. Esther. Joseph. Jeremiah. Ruth. What do all of these names have in common? They are all names of young lives which God called and used to change the world. Many scholars believe most of the disciples were under the age of 18. And God is DEFINITELY calling and using Trinity's Youth! The many hours of prayer, practice, and preparation became evident as our youth led and inspired all of us at this year's Youth Sunday service & Youth Room Dedication. Immeasurable time and support from the leadership, congregation, trustees, and youth leaders made it all possible. Whether it was through the music, testimonies, dance, or Shane's moving message, every piece of the service turned our minds and hearts to the truth of God's Spirit within us that is continuously transforming our identity, relationships, habits, and lives from the inside-out. Talk about transformation... did you see this new Youth Room?! If you want to see transformation check out these before & after pictures! We are so excited for the youth to have a renovated space of their own to connect, worship, and fellowship and we are beyond grateful that it was made possible. Thank you for worshipping with us and supporting our youth in so many ways.

## REFLECTIONS FROM A MOM AND YOUTH LEADER

“Start children off on the way they should go, and even when they are old they will not turn from it.”  
~Proverbs 22:6

Wasn't Youth Sunday on March 31st a blessed, inspiring and uplifting service? The youth, under the guidance of our youth leaders, took the lead to organize, plan, practice and ultimately lead in worship for the Glory of God. Personally, I couldn't be more proud of them.

I know that teenagers face a lot of challenges, distractions and things competing for their time and attention. I also know that parents face an equally challenging responsibility. I remember one day when my son, Seth, was 12 years old. My daily devotion that day was written by the mom of a teenage son. They had a good relationship, until the year her son turned 15. He became rebellious, searching for his identity and independence as he was growing up. She struggled with a relationship that had become stressful and confrontational. A friend assured her that this, too, would pass. It did, eventually. The year my son turned 14, I faced this same challenge. I became burdened with a relationship that had changed so dramatically. I remembered the devotion, prayed, and clung to the hope that this, too, would pass. It did, eventually. At the end of the summer that year, Seth and I headed to Philadelphia to see a Phillies game. We spent hours together in the car and at the game, and not once did we argue or upset each other. A staff person at the game was taking photos of fans that could be purchased online. I don't usually purchase these, but that day I did. It was worth every penny to have a photo of us smiling together, a tangible reminder of the day my prayers were answered.

Just as we all have hope that, despite our sin and rebelliousness, one day we will be reconciled with God in heaven, parents, hold onto the hope for your children given in Proverbs 22:6.

# Project A.S.K.

Assisting Students & Kids

One out of every three students at WSSD is considered HUNGRY. These students are fed Monday-Friday with subsidized FREE breakfasts and lunches at school but some go hungry over the weekends.

Christian Churches United started a new program and is asking churches to support students in the West Shore School District area, in partnership with the district social worker and nurses. The program is called **Project A.S.K.-Assisting Students & Kids**.

The Hospitality team and the Missions team are asking our church to participate with an on-going food drive, collecting food items that can be carried home by a student in their backpack and prepared by a child at home. You only need to bring the items below to church-There will be a table in the narthex provided.

Then the items will be taken to WSSD sorted and the Social Worker will determine which schools are in need of these items.

This project provides dignity; anonymity and a basic need to the students of WSSD plus Trinity church will be supporting OUR COMMUNITY with this effort.
